

BestHorseGear Spring Challenge

Thank you for your consideration in becoming a partner for our 2022 events. We hope that if you were a sponsor in years past, that you enjoyed the events and will be joining us again for an even bigger and better production this year. If you are new to our Team, our objective is quite simple, we hope to offer premier, elite barrel races, breakaway roping, and youth events in beautiful Central Oregon. This not only is a way to showcase talented Pacific Northwest horses and jockeys, but directly and indirectly help build our economy and keep dollars here in the community.

We have set up tiered sponsorship options to offer choices that are appealing to every business or individual willing to become a partner. All sponsored funds go directly to the prize money and awards which is what draws the contestants, as well as venue costs that allow us to host such a large event safely and professionally. Our primary goal with every sponsor that joins our Team is to ensure that your business/mission is highlighted in ways that meaningfully shows our gratitude for your support. Our sponsorship options allow for a multitude of marketing and exposure opportunities that reaches thousands, spans across the entire United States and even other countries with our live broadcast.

Attached you will find the current sponsorship options available. In addition to cash sponsorships, we would be happy to consider in-kind sponsorships on a case-by-case basis to work those opportunities into our events as appropriate. We are always open to discussion on ways that we can partner with you for a mutually beneficial experience. Please do not hesitate to reach out to us for discussion on any ideas that are not listed on our current form, we are always looking for ways to improve and grow our events.

Please let us know if we can answer any questions. We hope to grow our events every year and with your support we can help Central Oregon become one of the elite places to compete here in the Northwest.
